

Submitter: William Wickart  
On Behalf Of: Friends with gunshot wounds  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3076

Please staunch the flow of illegal guns and illegal ownership. This responsibility falls primarily on the individual states, and we must do our part. Statistics show that gun abuse drops sharply when the state licenses and inspects gun dealers. Please pass this bill to tighten safe distribution and ownership of firearms.
