Measure, Appointment or Topic: HB3076

I am writing in support of HB 3076. Firearms are the number one killer of children in our country. As a mom, I want to ensure that the dealers who sell these guns do so in a safe and ethical way. The ATF cannot keep up with the demands to inspect all gun dealers in Oregon on a frequent basis. To protect our fellow Oregonians, please vote to pass this bill to keep all Oregonians, including gun owners, safe. Thank you for your consideration.
