On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1076

I believe that this measure could be very dangerous for the world of purebred dog fanciers that show and work their dogs. This measure is too vague and could lead towards people the people that are doing things ethically to stop breeding all together. This will then lead to only shelter dogs that filled with backyard breeder pups. Please eliminate this measure.
