

Dear Esteemed committee,

I would like to first thank you for your efforts to represent the great people of Oregon. To that end I would like to remind each of you that the people of Oregon have had the opportunity to directly vote on a Rank Choice Voting measure via measure 117 in 2024. I am saddened to learn that in a time when there are so many unresolved issues, repackaging a measure that Oregonians resoundingly rejected by what I believe was approximately 15 percentage-points may be a priority for some of you.

Please refocus your efforts on something such as expanding fundamental liberties of Oregonians or resolving Homelessness, or other issues that Oregonians have not so resoundingly rejected at the ballot box.

Thank you for taking the time to read my letter.

Best regards,

Luke
