

Submitter: Martine Reynolds

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5516

If our legislators actually went into our schools, they would clearly see they are overcrowded, understaffed, unsafe and dilapidated. There is a lack of behavioral support and test scores show our students are behind. And now special education students and programs will suffer even more. It is time to fully fund Oregon schools.
