

Submitter: Corrie Fountain

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

As a lifelong Oregon resident, a lover of wildlife and nature, and a hunter, I oppose yet another tax. Each year, some other ridiculous tax is added to Oregonians tax bill. Our cost of living has skyrocketed, we are continually asked to give more while no one seems to be held accountable for the frivolous spending. Where is all of the money going? Not another tax until there is some accountability. We, The People, are tired of this.
