Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

I support HB 2050. Not only am I a retired Veteran of the Oregon Air National Guard who served 22+ years, 8 cumulative years of it on active duty, and 100% as an ANG member. But I am also an entrepreneur and farmer who works hard to feed our local community. HB 2050 would make a significant difference for me.
