HB3166

I am writing in this evening in Strong opposition of HB3166! This is exactly the type of measures politicians keep pushing thru that is destroying our democracy and making everyone lose faith in all of you. We had ranked choice voting on the last ballot and we successfully voted it down. Oregonians do NOT want ranked choice voting and after we showed our strong opposition, corrupt politicians keep trying to be sneaky and push bills thru that we don't want. Get a clue and start listening to the majority. This is not your own personal State to do whatever you want. You do not represent us if you support this bill and if you do, we will do everything to make sure you never get elected again. Oregon is failing at the hands of politicians who say they are our voice except you all do whatever you want even though it stabs us in the back. A bill like this shouldn't even be able to make it to the floor!!
