

Submitter: Ellen Nieminen

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

This is an unfair tax there. Already have an income tax or don't you remember. This will not help oregon be a better state it will further dig a hole that no amount of money will ever fix. Before adding more burden onto the workers of oregon have an independent audit and see where the money has been wasted and just disappeared. Tax after tax will never solve oregons problems.
