Please vote NO on Senate Bill 1000.

I understand that the Bay Area Hospital in Coos Bay needs financial help. But SB1000 will only end up subsidizing an unpopular sale/lease plan. Why should Oregon taxpayers be on the hook for propping up a hospital that will be sold and leased to Quorum Health by the time the bill takes effect and why would give give money to a CEO who has a proven record of running two hospitals into the ground?

Please consider UFCW's alternative plan that would use local and state resources to keep the hospital in public hands. I, as well as 56% of voters in the region, prefer this plan to a private equity sale/lease.

Sincerely,

Christy Wright
