

Submitter: Trudy Gregory

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

I oppose this bill. Oregon is being taxed to the point of breaking. Do better at managing the money we already pay you to run our state. As one of your constituents you have an obligation to do what is good for us and you imposing another tax is definitely not what is good for us. Everyone I talk to is feeling like the taxpayers are a cash cow and that is not right. Just no!
