Measure, Appointment or Topic: HB2050

As a current enlisted in the Oregon National Guard, I have seen plenty and heard of plenty of veterans who have and continue to struggle with monetary gain once out, I believe untaxed retirement is the least we can do for all of our veterans not only would it greatly help in situations of need but I believe it would even create a healthy morale that would give enlisted soldiers a reason to want to continue to serve not only the country but the state as well
