HB3166

I am urging a no vote on this bill. Once again, the voters have spoken and the democrats in the legislature seem to think that NO means go ahead and do what you want.

The people of the State of Oregon soundly rejected Rank Choice voting last November. This bill, no matter how coy you want to get with definitions, is Ranked Choice Voting.

You were told NO in November, but once again you are demonstrating that the will of the people of Oregon means nothing to you. You showed that on Corporate Activity Taxes and Illegal Alien Drivers Licenses just to mention two....and now you are once again telling voters to go pack sand. I can't decide if you are acting like a bunch of spoiled brats or dictators. My suspicion is probably both. NO means NO. Please honor the will of the voters or resign from office.
