

Submitter: Star Wood

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3856

This memo is to inform ALL Oregon Legislators that I am vehemently opposed to Bill HB3856 and its contents. Oregon collects income tax via annual tax returns. This is essentially a second income tax to feed a bloated State government with NO regard to the affects on its citizens. It is another way to milk the tax-paying public into poverty. Vote "no".
