Measure, Appointment or Topic: HB3856

Dear Members of the Committee:

I strongly oppose HB 3856. It seems as though the Legislature cannot get enough of the taxpayer's hard earned cash! We're being attacked on every front! As you know, our state income tax rate is already among the highest in the country, and most middle class taxpayers receive very little in return for their "investment."

No more taxes - live within your means! If you need more funding for ODF&W, cut some other useless programs!
