

Submitter: P Nyberg

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

My home along with many of my neighbors is on well water. Most of us are elderly or low income. This tax bill is monies that will come right out of our daily food bill. Frankly I am quite sure this bill could be classified as taxation caused by greed. Don't pass this. Our Oregonian citizens are already being taxed to death .
