House Committee On Rules

Measure, Appointment or Topic:

HB3166

Heck no! Rank choice voting is a bad idea! It would turn my vote, and each voter's choice into less than one vote in weight by averaging it with all the others on each issue. My vote needs to count as one full vote on each separate issue exactly ?? % the way, or with the choice, in which I choose to vote, and it should never be ranked down or up by averages. I will never accept Rank Choice Voting!
