

Submitter: Ken Alexander

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

This does nothing to control gun violence, it only makes it more difficult for lawful people to defend themselves from violent criminals who pay no attention to your useless laws. Gun shops already have to go through a stringent repeated process to have a FFL to be able to sell guns, they also have to go through the process of having a business license in this state.
