Absolutely not. Definitely oppose. Stop taxing Oregonians!! We're done. Over it. Our money is gouged, mishandled, misappropriated, stolen, and spent so poorly it seems like children run the check book. While people who pay taxes make less and less. Housing is a crisis. Drugs are a crisis. Mental health is a crisis. I'm not forking over any more money to the state that won't do what I want with it anyway. Stop creating more taxes to fund state services, and start managing the money you do get, wisely. There are millions of Americans that would be forced to pay this that have zero interest in hunting and fishing. The least of all reasons is this: they should not have to pay for a service that will never benefit them.
