Measure, Appointment or Topic: HB2050

Born, raised and a resident of Oregon all my life – 41 of those 67 years spent in Uniform and retired as an Army Officer. Time for Oregon to join 38 other states that exempt Military retirees from state tax the difference in state revenue is insignificant but matters a great deal to those who served unabashedly, unapologetically and with pride. Do the right thing - provide relief to those who served.
