

Submitter: Sarah Andrews

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3856

I am a single mother raising a family. I am the sole provider of the household.. I pay a lot in taxes already. I don't get any other kind of support to help me raise my family. I can't afford to be taxed anymore. I already feel like I'm being taxed to death. I have a dream of owning my own home and that seems just so far away and with every new tax it gets even further.
