

Submitter: Edward Dorsch

On Behalf Of:

Committee: House Committee On Climate, Energy, and
Environment

Measure, Appointment or
Topic: HB2067

As a lifelong Oregonian, I wholeheartedly support HB 2067. This is a step in the right direction and, hopefully, the first of many steps to encourage more people to go electric with their power tools. I own a battery powered string trimmer and blower, and they are both great tools.
