Measure, Appointment or Topic: HB3076

I want to live in a country, and a state, that cares more for its children than it does its guns. Therefore I support HB 3076 because we need stronger oversight of gun dealers to stop the flow of illegal guns. States with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%. It's time Oregon held the gun industry to the same standards as other businesses.
