Oregon voters already rejected Ranked Choice Voting. This bill is a violation of the public trust. As a citizen and a voter, this bill makes me angry. How dare the politicians of this state, ostensibly elected to represent the will of the people, so blatantly overrule the will of the people by this action?! I suppose if you can't win elections on the merits of your policies, you will just erode the fairness of elections through sophistries like ranked choice voting. You have our attention, Democrats of Salem. Will you honor the will of the people, or further entrench your dishonest tyranny?
