Measure, Appointment or Topic: HB3856

I am in opposition to HB 3856. Oregon doesn't have a revenue problem, it has a SPENDING problem. Thanks to bideconomics Oregonians have endured uncontrolled inflation & reckless spending from tax dollars. Oregon is also spending Billions feeding & sheltering ILLEGALS. Stop supporting ILLEGALS & take the money from there instead of creating a new onerous tax. If hunting & fishing licenses need to be raised to cover costs, then do that, but I fear you will increase poaching. In closing, No New taxes. Living in Oregon is hard enough these days.
