Measure, Appointment or Topic:	HB3755

My husband and I are both retired and have resided at our current residence since 1996. We own our little slice of heaven. The passage of this HB3755 will greatly assist the well being of our existence. The economic unstableness coupled with health cost challenges is unbelievable at best! Your support will assist countless seniors in providing a little relief in an amazing manner. Thanking you in advance for your time and consideration.

Respectfully submitted,
Michelle & Raymond Maa-Storey
