On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB27

Having great partnerships, like the one we have with the Essential Worker Healthcare Trust, makes all the difference for our facilities, and for our teams. We rely on strong partnerships like this to help us be our best and having access to care and financial support for our employees is something we're proud to support. It's also a tool we use as we recruit staff and help them find long-lasting careers with us. — Hunter McLane, Regional Vice President, PACS
