

Submitter:

Patty DeBois

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR1

I support SJR 1. Seniors are having a rough time with paying their bills in later years of life. Property tax relief would be a huge help. There are lots of additional expenses as you age, and some of our seniors, especially lower income seniors, need all the help we can give them. Please support SJR 1.
