Measure, Appointment or Topic: HB2050

Sir/Ma'am, Would you please lend your full support for HB 2050? As a retiree, my main income is my military retirement. I deployed with the National Guard (Kuwait/Iraq 2010-2012) where I was injured. The VA has rejected my claim for compensation thus far, so I have to deal with my limitations without their help. It would significantly improve my situation -- and the situation of many other veterans I know -- if our retirement pay would be exempt from state tax. Please support the effort to make it so. Thank you. Rick Breen
