Chair Kropf, Vice Chairs Chotzen and Wallan, and Members of the House Committee on Judiciary,

My name is James Unger, MD, MPH— a Pediatrician with ~ 43 years of practice experience, including 26 years in Oregon (Portland and Eugene). I am writing in support of HB 3076, the firearm dealer licensing bill. I have witnessed firsthand the tragic consequences that easy access to firearms (including lax licensing and inspection) and the resultant gun violence has had on my patients (children and teens). I urge your committee to pass HB 3076 (“State licensing of firearms...”) and to prevent any more avoidable firearm injuries and deaths. Many thanks for your consideration and service,

James Unger, MD, MPH
