As a supporter of well bred dogs produced by ethical breeders as well as saving the preservation of our dog breeds I am against this bill. It'll effect not only great breeders in this state who are doing good by their breed, but will make it more difficult to obtain a wellbred puppy as well. Our purebred dogs serve a purpose, you want police k9's to be stable with good temperaments for their line of work and this bill could make obtaining those dogs more difficult. Service dogs need a specific temperament to work out, usually labs, goldens and poodles being rated highest in success, this bill would make it more difficult to obtain those dogs.
