Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I fully support this bill and hope that, following the study, Oregon will establish a state gun dealer licensing program.

Yes, dealers currently are licensed Federally, but on average, most of them are inspected by ATF less than once a decade.

We need our state to license and inspect these dealers, holding them to a high standard and accountability.

This is a common sense action that gun owners should also support to make our communities safer.
