Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB27

I am writing in support of SB 27, which includes ongoing funding for the Essential Worker Healthcare Trust. The Essential Worker Healthcare Trust (EWHT) has given long-term care workers like me quality, affordable health care. I am thankful for the healthcare trust because I was able to have the surgeries needed to fix my leg after cancer and radiation therapy. I am able to walk. Since 2021, the EWHT has provided nearly 6,000 people like me with health coverage for ourselves and our families. --
