

Submitter: Cathy Olson

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

My name is Cathy Olson and I am from Tigard. I am a retired senior citizen who has been an advocate for food security for many years. I support Food for All and encourage a "yes" vote on Senate Bill 611.

I have spent many hours volunteering at local food pantries and I know the pain of those not able to provide nourishment for their families. This is especially true of our immigrant neighbors who due to their status are not able to obtain food assistance from the federal government. These families are vital members of our communities, and our friends. No one should suffer from malnutrition when it is within our power to prevent it.

Thank you.
