On Behalf Of: Stop giving the middle finger to voters  
Committee: House Committee On Rules  
Measure, Appointment or Topic: HB3166

I oppose HB3166 for two main reasons: first what part of no don't you understand? Oregon voters just defeated MZ117 by a very large margin, yet the ruling class of the Democrat party in the legislature are ignoring that reality and in essence giving the Oregon voters the middle finger. Apparently, they don't believe what we think or how we vote matters. Secondly, under rank choice voting some voters ballots are thrown out under some circumstances if the voter is confused and doesn't fill out the ballot completely and their ballot may not be counted during runoff elections as has actually happened in Alaska and other cities. This is a blatant violation of the Constitution which guarantees American citizens the right to vote and flies in the face of Supreme Court Rulings about one person , one vote. Please reject this bill and vote no.
