

Submitter: Steve Jones
On Behalf Of: Myself
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

I fully Oppose HB-3076. Gun dealers are already federally regulated. This adds no benefit to businesses that sell firearms nor does it fix any problem. All this bill does is add more costs and regulation. There are plenty of other ways to spend our tax dollars effectively. This is not one of those ways!
