PPOSITION to SB 1000:

I appreciate the motivation behind SB 1000, but this bill isn't the right way to support a local hospital like Bay Area Hospital. The measure is actively anticipating the sale of the Hospital's contents to Quorum Health, and would simply end up being a windfall for Quorum, who should shoulder those costs.

Please consider UFCW's alternative plan that would use local and state resources to keep the hospital in public hands. That plan allows voters to have a say in our own locally-owned healthcare system.

Yours,
