SUBJECT: Please vote NO on Senate Bill 1000

MESSAGE: To the Senate Committee on Healthcare,

Coos Bay's Bay Area Hospital certainly needs financial help. But Senate Bill 1000 misses the mark. The measure is actively anticipating the sale of the Hospital's contents to Quorum Health, and would simply end up being a windfall for Quorum, who should shoulder those costs.

Please consider UFCW's alternative plan that would use local and state resources to keep the hospital in public hands. The plan polls at 56% support in the region, and asks for a small, temporary local contribution that is matched by the State. That allows voters to have a say in our own healthcare system.

Yours,
