Re: "No" on HB 3166

Dear Chair Bowman, Vice Chair Drazen, Vice Chair Pham, and members of the Committee:

Many people make a decision to join a political party. These people study the platforms of various parties to determine which, if any, party embraces their personal beliefs. I have made such a choice. I do not want people from another party or those who cannot even choose a party to decide who will represent my party in a general election. Unaffiliated voters who want to vote for a particular candidate in a primary can simply change their voter registration using the Secretary of State's website.

I urge a vote of "no" on HB 3166. It is pretending to solve a problem that does not exist.
