Taxpayers Association of Oregon on HB 3076

If the State of Oregon wishes to "study" firearms

we first recommend that Oregon study ...

- Portland closing its Gun Response Team in 2020
- Portland defunding its police by 100 positions.
- Portland dropping a thousand criminal charges.

Following these actions Portland had the greatest homicide rate increase in the nation. It would be good to "study" this.

Speaking of studying.

Please also study how President Biden released the world's #1 gun smuggler, Viktor Bout, in a prisoner exchange for an American athlete drug-user. Viktor Bout has since resumed to his weapon smuggling (WSJ 10/6/24). Please "study" this too.
