HB 3856 I do not believe this is in the best interests of Oregonians. It is a new tax, it would be combersome to enact and we pay quite high taxes already to the state to fund ODFW. Also the fact that the excess (which could be a fair amount) goes to the general fund should not happen. It has a sunset for credits. Hunting and fishing licenses have increased annually to pay for this. These are the people who use the services most and the state should support ODFW thru state taxes. Quit making committees for everything which uses taxpayer money.
