On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Firearm dealer licensing is needed in Oregon, which will help keep Oregon safer from gun violence through the provisions of this bill. 15 years ago my son, aged 21 at that time, was able to drive from Portland to Salem, purchase a handgun, and take his life all within a few hours. I strongly support this bill as it contains reasonable steps to prevent other families from suffering similar tragedies.
