HB3076

I support HB 3076 because we need stronger oversight of gun dealers to stop the flow of illegal guns. Gun dealers in this state operate with minimal regulation. The ATF inspects only 2% of dealers in Oregon. Nearly all other industries — taco trucks, salons, nail shops — are inspected. Gun dealers should meet basic business standards too. The data are clear - states with gun dealer licensing have reduced gun trafficking by 70% and gun homicides by 36%. I'm asking the state to step up and please pass HB 3076 to keep crime guns out of our communities. Thank you.
