MESSAGE: Senate Health Care Committee:

The Bay Area Hospital in Coos Bay needs help. But Senate Bill 1000 isn't the right way to address this. We've been told time and time again that the hospital will be leased and sold to Quorum Health by the time this money is sent, meaning it will simply be a windfall for out of state investors.

Please consider UFCW's alternative plan that would use local and state resources to keep the hospital in public hands. Allowing voters to have a say in our own local healthcare system is better than selling all of the Hospital's assets to out of state shareholders.

Thank you,
