SUBJECT: Please Oppose Senate bill 1000

MESSAGE: Dear Lawmakers:

The Bay Area Hospital in Coos Bay needs help. But Senate Bill 1000 isn't the right way to address this. We've been told time and time again that the hospital will be leased and sold to Quorum Health by the time this money is sent, meaning it will simply be a windfall for out of state investors.

Please consider UFCW's Shared Responsibility Plan. The plan polls at 56% support in the region, and asks for a small, temporary local contribution that is matched by the State. That allows voters to have a say in our own healthcare system.

Thank you,
