Testimony in Support of SB 537

FROM: Amy Jester BEN, RN, CWCN, PCN

The passage of SB 537 would go a long way towards protecting our sacred work spaces. This is an elegant Bill that covers many facets of violence prevention, reporting and victim support. We deserve protected work spaces and to feel safe going to work. In it's full force this bill also protects our patients.

Thank you for accepting my testimony and I urge your support of SB 537.
