

Submitter: Daniel Tanner  
On Behalf Of: Northwest pacific firearms  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3076

Writing in strong opposition to this house bill. I lease a section of our store to a federal licensee, and this burdensome restrictions on his business would cause him to be unable to continue his lease. There are layers of laws in place already and overburdening on merchants, without the senseless additional propose language.

Respectfully

Dan
