

Submitter: Mary Wheeler

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose this measure due to the fact it hurts the small business guy selling firearms, it affects their livelihood. Plus me as a lawful consumer should be able to buy what I want . You are penalizing us . The bad guys still will be able to get the bad stuff from bad people, you're not saving anything . Stop the nonsense
