HB3166

I am a longtime Oregonian, and I am deeply opposed to HB3166. A ballot measure to enact ranked choice voting was already voted down last November by Oregonians, but Democrats in the Oregon Legislature don't seem to care, as it appears they wish to shove it down our throats anyway. And with this constant shrieking from corrupt politicians about "Our Democracy!", nothing says "Our Democracy!" like ignoring the will of voters who've already said "NO!" to something. There have been other examples of politicians or a national political party ignoring their own base. Shame on those trying to pass this scheme called HB3166.
