

Submitter: Karen Dady

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose.

I feel this is creating an impossible environment for responsible firearms owners and dealers to own or obtain firearms!

I also feel the way our government is operating is in direct contrast of what the citizens want. Do better! There are more people in the state then the city dwellers of Multnomah Co.

Sincerely,  
Karen Dady
